

# MEDIA ACCREDITATION FORM PDC EUROPE 2026

All media representatives who wish to attend one of our events must complete this accreditation form and apply for media accreditation before the respective event.

## GENERAL RULES

Media representatives are asked to refrain from taking private photos with the players and asking for autographs. Only photographers with accreditation are allowed access to the stage area.

## PHOTOGRAPHERS

Please note that due to limited space, freelance photographers may be required to provide specific proof of assignment from an organization or agency.

## ACCREDITATION REQUEST

The application form should be completed and returned no later than 7 days prior to the event. Please email it to the PDC Europe Media & Communications Manager, Sascha Reus: [media@moltkesports.com](mailto:media@moltkesports.com).

All accreditation forms received after the above deadline will be processed at the earliest opportunity, but processing cannot be guaranteed. Media representatives who do not obtain accreditation in advance will not be granted access to the event.

Moltke Sports GmbH reserves the right not to accredit media representatives who do not accept their accreditation in full or for individual sessions without consultation. Requests for additional information should be addressed to Sascha Reus: [media@moltkesports.com](mailto:media@moltkesports.com).

## PRESS ROOM

The availability of a press room is not guaranteed. If available, you will be informed of the location of the press room accordingly. Only photographers will be allowed access to the stage area subject to accreditation; photo processing must be carried out outside the player/spectator area. The hall and press room (if available) will be closed half an hour after the end of the last match of the respective session. Media representatives will receive an e-mail with more detailed information prior to the event.

## INTERNET

The PDC Europe will endeavor to provide media representatives with free Wi-Fi in the press room (if available). The internet connection provided may not be secure and it is the responsibility of the media representative to install appropriate security software. Moltke Sports/PDC Europe does not accept any responsibility for the security of the internet connection or any compromising attacks or intrusions, data loss, etc.

## INTERVIEWS

Post-match interviews with winning players will be possible after any interviews with our broadcast partners have been concluded.

Please inform the media manager on site **before** the start of the session which players you would like to speak to. Interviews will be conducted at an appropriate distance and media representatives should make appropriate preparations for recording interviews at this distance

to avoid background noise. Despite a win, interviews may be declined by players in exceptional circumstances.

Please note: Due to time constraints, no interviews can be conducted with players during the Sunday evening session, with the exception of the winner's interview.

We would like to point out that the content of the interviews must relate to the accredited event. For general interview requests, please contact the players' management or send a separate request to the PDC Europe.

## PHOTOGRAPHS

Photographs taken at the **European Tour** will be made available free of charge by the PDC Europe's official photographer for **editorial purposes**. Please contact PDC Europe at [media@moltkesports.com](mailto:media@moltkesports.com) if you wish to have access to these photographs.

## FILMING/AUDIOVISUAL RECORDINGS

Any audiovisual recordings/filming of match images on the European Tour ('match images' are defined as recordings during a match, during the walk-on and recordings of players within the venue) are prohibited and will result in license costs as well as possible legal action and recourse claims if violated. For interviews with players, a separate request must be submitted. Therefore, all permissions regarding the creation of film/audiovisual recordings must be obtained in advance by email from the PDC Europe Media & Communications Manager, Sascha Reus: [media@moltkesports.com](mailto:media@moltkesports.com). Prior agreement is also necessary for darts galas.

Video material of the event can be made available on request directly from the rights holder and after approval by the rights holder with a corresponding reference to the rights holder. The European Tour's rights are held by DAZN or local broadcast partners for events outside of Germany.
